    - FAILED. Didn't do anything. (bug #1)
- Press Draw.
    - OK
- Press Add/Remove to Duo
    - OK
- Press Draw
    - OK

Bug report: WIN in a duel
- Duos made and matched with another duo.
- Values are calculated. Total health - total attacks.
    - OK. Totaled as a win.
- Displayed as Win.
    - OK.
- Logged/tallied as a win.
    - FAIL. Tallied as a loss. Should have +1 to the value of wins. (Bug #2)

Test case: DRAW in a duel. Both teams will have the same score.
- Duos made and matched with another duo.
- Values calculated. Total health - total attacks.
- Should display as a draw.
- Win/loss would not be logged.

(Bug #3: This failed to display as a Draw and was logged as a loss)
